

**Product title: TV and Media Logistics**

Our RIBs offer the perfect platform for TV and media work. Our skippers are very experienced and understand of film processes.

**Cost:** For the first hour of a professional charter, book the RIB with Skipper for £195. Subsequent hours can then be booked at £120. For example 2 hours is £315 per RIB. The whole day price is capped at £675 for up to 8hrs.

**Numbers:** This trip is ideal for parties of up to 6 media technicians in each RIB.

**Info:** We are a highly experienced on-water asset for media professionals. Our skippers are very experienced and understanding of media processes. Our RIBs are modern, fully certified, licensed and insured for inshore media-based operations. Once on the water have the backing of a large shore side support team.

We have unrivalled knowledge of our operating environment. We are here to help researchers refine original scripts prior to start of filming, if required. You will find us approachable, resourceful and easy to talk to when considering your project.

RibRide have supplied boats and skippers to assist with major motion pictures, BBC, ITV and Channel Four documentaries. We have worked with many notable celebrities, renowned production companies and national radio stations. Being on the water in 'media mode' is a very regular occurrence. We are very good at what we do and that is why teams come back to us time and time again.

**Bookings:** Talk to our very experienced team to discuss your media requirement. Fill in an enquiry form at <https://groups.ribride.co.uk/contact-us/> Or phone 0333 1234 303 to discuss your needs.
